

Welcome to ADMIS

ADM Investor
Services, Inc.

Who We Are

Our Promise

Around the globe. Around the clock. For more than 40 years, ADM Investor Services has been a leader in the futures brokerage industry. We are committed to serving clients the world over with unparalleled futures trading services.

Service

ADMIS is committed to providing traders with the industry's best personal service and support. Whether you're new to trading futures or an industry veteran, our seasoned team of professionals is ready to assist you every step of the way.

Experience

As a brokerage leader with decades of experience, ADMIS utilizes its network of Introducing Brokers, non-clearing FCMs, branch offices and subsidiaries to provide swift and accurate trade execution and expert market research.

Commitment

ADMIS is committed to helping investors achieve their trading goals. This commitment is demonstrated by building solid working relationships with our clients, emphasizing continued education and ensuring access to top technology.

Stability

ADMIS is a firm built on financial stability, integrity, strong ethics and fair business practices. We are strong, well-capitalized and prepared to navigate a changing, uncertain business climate.

Retail & Individuals

Service. Experience. Commitment. Stability. When it comes to choosing a brokerage firm, ADMIS has everything you need.

We take great pride in maintaining a high level of financial stability and providing clients with courteous and accurate customer service. Our staff will handle your account in a professional and ethical manner.

ADMIS clients enjoy top industry customer service, free research, trading platforms and real time market and account information, among many other benefits.

Visit www.ADMIS.com/Individual to learn more.

Getting the job done is always easier when one has the right tools available. ADMIS believes in empowering traders with the tools and resources needed to succeed in futures trading. From basic education and special offers to proprietary market research by our team of expert analysts, ADMIS offers traders of every level the opportunity to excel in the markets.

Trading Platforms

Powerful trading platforms are an important consideration when choosing a futures brokerage firm. We offer clients a wide range of the best platforms available, including OAK Web, OAK Desktop, Apex, CQG, J-Trader and TT.

Customer Service

ADMIS provides traders with the industry's best personal service and support. From our team on the trading floors to our staff in the back office, our employees take great pride in providing swift and accurate support to all account holders.

Events

ADMIS provides clients and brokers with interactive opportunities to discuss market information, industry events, news and opportunities. In addition to our yearly National Broker Meeting, we hold a number of single-session events throughout the year to help facilitate discussion of important industry issues and trading opportunities.

Research

Our team of market analysts are some of the most highly regarded professionals in the industry. They work closely with other top research consultants to provide customers with accurate, timely and useful market information.

Quotes, Charts & News

ADMIS clients access continuous quotes, charts and news coverage, 24 hours a day. This fully customizable service allows visitors to access the latest market-moving information as they trade. Quotes and charts are accessible on the ADMIS website as well as mobile devices.

Managed Futures

Managed Futures can be a valuable part of an overall asset allocation plan, providing diversification and potentially reducing overall portfolio volatility and improving overall portfolio performance over time. The Managed Futures program at ADMIS works to achieve this through strategic investments, including asset allocation, balancing and optimization strategies.
